14 Greenhills Road
Walkinstown
Dublin 12
D12 K0Y3

Dear Dr Vidhya Gompa,

Congratulations, you have been nominated for the **Colgate Caring Dentist of the Year Award 2019** by a patient. It is a significant achievement in its own right that your patient has considered the healthcare you provide to be so good that they would like you to be recognised. The volume and quality of the testimony of patients about their dentists that we have received through these awards has been very uplifting, and together with our sponsors Colgate, we believe that it is worth celebrating in style.

I am delighted to say that as a result of being nominated, you are therefore entitled to attend the exclusive Gala Awards Ceremony in the Clayton Hotel, Burlington Road on the evening of Saturday December 7th hosted by RTE's Joe Duffy. You will be called on stage to receive a certificate to acknowledge your nomination as part of this gala event. **Please also note we will not be video recording any of the winners in advance at their surgeries this year in order to ensure total secrecy. Only nominees who attend the gala will receive a certificate.**

This will be a black-tie event at which the five regional winners and the overall winner will also be announced. You are eligible for both your regional award and the overall award. It will commence with a drink's reception in the hotel at 7.00pm with dinner commencing at 8pm. The Award winners will be announced after dinner followed by music and dancing from 11pm until late.

ONLY those dentists that have been nominated may attend with their guests. **Tickets are €183+VAT= €225 per head.** Tables are of 10, but you can book as many tickets as you wish. We have block booked some rooms at the hotel also. Please see the details overleaf.

Bookings for the dinner can be made online by logging onto www.dentist.ie and clicking on the Colgate Caring Dentist section on our homepage or by contacting IDA House on 01 2950072 or via email at aoife@irishdentalassoc.ie.

Congratulations again, and we very much hope that you will join us for a fantastic occasion for dentistry in Ireland on Saturday, December 7th 2019 in The Clayton Hotel, Burlington Road, Ballsbridge, Dublin 4.

Yours sincerely,

Prof Leo Stassen
President, IDA

Christa Havaladar, Professional Oral Care Lead
